ANNUAL REGATTA AT MATTAPOISETT

The Mattapoisett Regatta, sponsored by the Mattapoisett Improvement Association, was held on Saturday afternoon, despite the rough waters and high winds. Forty-nine craft were entered in the races. In the handicap class, the Heron owned by Dick Prouty came in first followed closely by the Allise owned by Dick Young.

The Jan Cap owned by Ed Ferry won by a minute over the Merry Maid owned by J. F. Duggan in the Herreshoff 12½ foot class.

The Beetle Cats sailed in two classes, the senior division with Carroll Harrington in his Sneeze winning over the Vixen owned by Carol Newman, and the Junior Division with George Gardner's Dingbat coming in first and Larry Raymond second.

The only boat to capsize was Shelia Hochu's She-no-ro, a beetle, but several others had to be towed back to their moorings because of the strong southwest wind.

The committee was headed by William H. Potter, assisted by Richard H. Blasdale, John T. Burr, Stanley J. Mysliwy and Frank Pimental. Race officials were Herbert Anderson of the Angelica Club, Richard Howland of the Weetamoe Club and Richard Prouty of the Mattapoisett Club.

Other entries in the races besides the winners were: Beetle Cats, Senior Division, June Bug, O. Schell; Hobo, R. Morgan; Sad Sack, C. Douplaise; Bobbin, J. Warren; Nip, J. Smith; Rorian, A. Carroll; Bobcat, E.

SHORT EXHIBITION RECENTLY

An exhibition of seven Cadillac test cars created much notice and comment at DeCoffe's Gulf Station on Route 6 last week. After leaving Mattapoisett, they were on inspection at the Gulf Stations in New Bedford.

Extensive tests on various grades of gasolines, motor oils and lubricants are being conducted throughout the nation by the Gulf Research and Development Corporation.

These cars were operated by a group of engineers and the tests, being conducted, will when completed give the motoring public even finer, more efficient and greater dependable products than even Gulf now offers.

We know all companies are striving for greater perfection, but Gulf is willing to make the struggle interesting by letting the public see for themselves. It has always been known as Good Gulf, but they still think it can be better. I, for one, like that attitude.

ON TRIP TO MAINE

Mr. & Mrs. F. C. Rowland and family and Mr. & Mrs. Marland Bryant are on a trip to Moosehead Lake, Maine. Enroute, they will be guests of Mr. & Mrs. William Dexter at their summer cottage in Harpswell, Maine.

ENTERTAINING GUESTS

Mr. & Mrs. Lendell Rudolph of Point Connett have been entertaining Mr. & Mrs. William Mellor and family from Lakewood, R. I.

Mr. & Mrs. Rudolph have just received word and pictures of the christening of their first grandchild, Stephen who is 4 months old. He is the son of Airman first class and Mrs. Robert Rudolph. Airman first class Rudolph is stationed in Weisbaden, Germany.

COUPLES CLUB HAVE SUCCESSFUL SUPPER

A highly successful ham, bean and salad supper was served Saturday evening in the Congregational Church Vestry by the Couples Club of the church. It was well praised by a large attendance, among whom was the Cresskill Couples Club from New Jersey who enjoy these suppers so much that they come every year. This year during the supper, they took movies of the kitchen crew and presented a gavel to the Presidents, Mr. & Mrs. Richard Chase from their club to the Mattapoisett club. A very useful gift. I'm sure Dick can make good use of it. Many thanks to a fine group.

The supper was served by a very efficient group, consisting of Mr. & Mrs. John Denham, chairmen, Mr. & Mrs. Donald Chase, Mr. & Mrs. Alan Sherman, Mr. & Mrs. George Heath, Mr. & Mrs. Alan Perkins, Mr. & Mrs. Robert Gardner, Mr. & Mrs. John M. Souza, Jr., Mr. & Mrs. Walter Apperson, Mr. & Mrs. Richard Chase, Mr. & Mrs. Ross Hopkins and Mr. & Mrs. Lawrence C. Young.

The proceeds of this supper are to be used as a portion of the club's pledge to the Church.

SOME THOUGHTS OF MINE
by Murray Tuttle

I enjoyed your Poem fore and aft,
Was also delighted we made you laugh.
'Cause even a giggle here and there
Drives away lonesomeness and despair.

The honor of having Cleveland round
Was something town folks seldom found
I'll bet you were lonesome when he went away
And wished his family could longer stay.

But folks like him were on the go.
They seldom traveled without a show.
And when he was gone, you settled down
And received your beautiful town.

Roosevelt visited here at times
When he was President.
Mattapoisett drew the big yacht clubs
When they were pleasure bent.

Wendell Holmes spent a summer here
At Crescent Beach they say
And chatted with his neighbors
Lond the shore of Buzzards Bay.

We enjoy our neighbors in Marion
As they did so long ago.
Cause they feel the same as we do
Friends, that we all know.

Both Mattapoisett and Marion
Are beautiful little towns.
And live in friendly fashion
And good will sure abounds.

And now my lady "Nom de Plume"
Kindly, what's thy name?
No need to hide it from us all
'Cause this is just a game.

OVER $200. CONTRIBUTED TO LITTLE LEAGUE

The people of Mattapoisett certainly opened their hearts to the boys of their town when they contributed over $200. to the Little League. The fund was further swelled when the Mattapoisett Police Association gave the boys a check for $10.00.

Henry Philla collected the largest amount, Cliff Akin was second, Butchy Shea was third and Norman Secia was fourth. Additional equipment has been ordered for the boys, and the boys on the farm teams have been supplied with green caps. Every boy on the two Little League Squads as well as the boys on the farm teams thanks the good people of this town for their interest in the youth of Mattapoisett.

The Blue Squad of the Little League is composed of the following boys: James Smith, Robert Crabbe, Robert Bowman, Allan Monette, Jeffery Purvis, Wayne Nash, Wayne Walega, Joe Delano, Norman Secia, Charlie Fermino, Allan Silveria, Harry Downing, Richard Maxim, Jeffery Lewis and Paul Hyland. The boys are playing good ball and are in second place in the Capeway League.

BAY SIDE MEADOWS AND MARSHMERE ASSOCIATION HAVE ANNUAL CLAMBAKE

The members of the Bay Side Meadows and Marshmere Association met for their annual get together and clambake on Sunday, July 25th on Mattapoisett Neck.

The get together was well planned by a committee consisting of Henry Guba and Charles Keys. The committee decided to hold the event this year on the adjoining grounds of Mr. George H. McKay and Mr. Carl C. Cornwell, where there is ample space and a beautiful view for such an event. Mr. McKay and Mr. Cornwell, who are President and Vice President respectively of the association and ex-officio members of the committee, had the grounds well decorated with tables, benches, beach umbrellas, etc.

The bake prepared by Aubrey Coon of New Bedford and scheduled to go off at 1 P. M.

was well served, using the facilities of the spacious outside fireplace owned by Mr. McKay and Mr. Cornwell jointly.

Immediately preceding the bake, there was a cocktail hour - all kinds of soft drinks for the children and Mr. Guba graciously quenched the thirst of the adults. There were tables with umbrellas attractively arranged to serve punch. Miss Peggy McKay and her friend poured at one table and Miss Joan Griffin and Mary McKay served at the other. The cocktail hour was announced by the ringing of a large bell from a car being driven through the roads of Bay Side Meadows.

During the meal, a welcoming address was delivered by Mr. McKay.

Mrs. McKay and Mrs. Cornwell acted as hostesses and it is said that a real good time was enjoyed by all.

YOU ARE CORDIALLY INVITED TO WORSHIP WITH US

—•—

No matter of what denomination you are, resident or summer visitor, we invite you to spend August with us for your place of worship.

As a Universalist church we set up no creedal test for worship and fellowship; rather we hold it vital that the practice of brotherhood supersedes adherence to any set of beliefs as to the test of worthiness and religious sincerity. "Love is the doctrine of this church; the quest of truth is its sacrament; and service is its prayer; to dwell together in peace; to seek knowledge in freedom; to serve mankind in fellowship." We invite you to worship with us through "God as Eternal and All-conquering Love" and "the spiritual leadership of Jesus."
